Frankfort, Ky., July 10.—Kentucky will be represented by a crack team when the rifle matches of the militia and the army and navy meet in competition next month at the national rifle range, near Put-in-Bay, O. The team was selected when the 20 candidates for places on the team competed at the state rifle range at Kennebunk Station.

The team is composed of 12 men and three alternates, and this number will be selected from the 20 who competed. The scores will be computed and the names of the winners reported to Adjutant General P. P. Johnston, who will make public the names of the winners. ## PARADE TODAY

(Continued from page one.)

amusements the traveling men have found on all hands in Paducah, and after supper the steamer Dick Fowler will take the delegates on the river for several hours at 5 o'clock. It will be one of the most delightful features of the meeting, as the weather is ideal. Refreshments will be served on the boat and the excursion will bring the delegates together in closer quarters than they have met so far, giving all an opportunity to get acquainted.

For Saturday the chief event is the executive session of the association to be held at the Kentucky. In this the officers will report on the year's progress, new officers will be elected and the next place of meeting chosen. Various speakers will address the delegates on subjects interesting to them. Mr. H. H. Hanna, of Harrison, Tenn., who was down for an important address, cannot be present owing to a death in his family.

Saturday afternoon and night no special events have been arranged, as it was believed by that time the traveling men would have become at home and know where to find a good time. Today's attendance from out of town was vastly in excess of yesterday, and tomorrow morning and tonight, drummers will pour in from all directions to spend Saturday and Sunday. Many new members have been added so far.

"Say, have you seen the Elks' building? Well, it's a cutter. They've got a man there all the time to give you the glad hand," one traveling man was overheard to say this morning. "We like your town," said another prominent K. T. M. today. "It's got a wide-awake appearance that I've not seen in any other town of its size. Gee, you fellows here certainly blowed yourselves for our meeting."

**"Bill" Tucker's Plight.** Sad to relate, "Fat Bill" Tucker could not find a suit of white large enough for him in the city and had to appear today in his regular serge John R. Smith, the other big delegate had his made to order long before-hand. Mr. G. C. Hall, of 622 Jefferson street, was married in Marshtown Monday, and is here with his bride. Many other newly-weds would not register, to avoid embarrassing attention.

The formal opening of the meeting took place last night at the Chautauqua pavilion. Mr. Earl Palmer welcomed the visitors for the city and Mayor Smith and Mr. John R. Smith responded for the K. T. M. Secretary F. L. Bartlett also made a happy address expressing his satisfaction at being in Paducah.

**HIG FAMINE IN RUSSIA IS EXPECTED THIS WINTER.**

St. Petersburg, July 10.—The likelihood of another famine in Russia during the coming winter was admitted by a representative of the ministry of the interior in the duma today, in answer to an interpellation regarding the present condition of Russian crops.

Two-thirds of the winter wheat is a failure in eighteen provinces, the southern district being the worse-off. Two and one-half million acres of land have not been seeded.

Warm weather in June and an abundance of rain in the center and south have somewhat improved the prospect of the spring wheat crop, but nevertheless relief measures on a large scale will be necessary both for feeding and feeding purposes.

Mrs. Marvin Akin left today for a visit to Riverton, Ala.

**DEE HUTCHCRAFT TRIED AT MAYFIELD, KY., TODAY.**

City Jailer Wade Brown returned this morning from Mayfield, where he was a witness in the case of house-breaking against Dee Hutchcraft. Hutchcraft is the man who was found near the Union station about six weeks ago with a wound on his head from jumping off a rapidly moving train. Captain Brown was subpoenaed to be in court today as a witness for the defense, but was used by the commonwealth. Through a mistake an attachment was issued for Captain Brown, and was sent to Sheriff John Ogilvie, but Jailer Brown went to court with the attachment and subpoena in his pocket, and explained that he had refused to serve the attachment on himself.
